I present this renovated detached villa with a huge garden and a saltwater pool. The garden has a 1050m² plot. It is located in the Chaparral area of Torrevieja.~~This detached villa has been completely renovated. The entire house has underfloor heating. Each room has air conditioning. It also has 24 solar panels installed.~~What stands out about this villa is its large 1050m² garden. A beautiful, well-maintained garden with a private saltwater pool. That's not all: there is a wooden summer house in the garden with a kitchen and a veranda. There is also parking on the plot for 4 spaces.~~The house offers 163m² of built-up area, spread over two floors. At the entrance, we find a hall. It has a spacious and modern living room next to the furnished dining room, also featuring a radiant fireplace. A separate kitchen with a modern style in dark tones is fully equipped. It has 3 bedrooms with built-in wardrobes and 2 modern bathrooms. It has a room designated as a dressing room. It also has a storage room, perfect for keeping the house tidy. It also has a 20m² terrace with beautiful views of the garden.~~The Chaparral area is a residential area with large gardens and well-kept green spaces that create a peaceful and exclusive atmosphere. It offers beautiful views and easy access to services and infrastructure. It is located very close to the AP-7 motorway, allowing quick access to Alicante, Murcia, and other areas of the Costa Blanca.~~It is a quiet area, ideal for those seeking tranquility without being far from services.
